Allowable Subject Matter

1. Claims 17 – 34 are allowed.

The following is an examiner's statement of reasons for allowance. In other words, prior art does not disclose that the antistatic sheet be attached to the rear holder and covering the opening of the rear holder, wherein the antistatic sheet be at least semi-transparent, be disposed within the opening in the rear holder, and be attached to a portion of the rearward-facing stepped region of the rear holder. As stated above, there is no teaching or suggestion of these claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
